So I
thought
Kaitani-

know
something.

Also,
don't say
I'm close
to her,
it's unplea-

Hell if
I know!

it might

Oh yeah, Ashido-kun.

I was thinking of discussing things over with you tomorrow, huh~

In the first place, I don't go on dates, right?

continue

It should be pretty okay, right...?

Wow, that's a lot of things to say at once.

Sorry, but it's fine if I borrow your teacher for a little while, right?

You.

Er...?

Er...

Although if you don't mind, I'd be delighted to have you come along.

Oh yes, you must be Ashido-kun, right?

Wow, there...

I suppose, though, how do you put it...

You quite often go to infirmary, don't you?

So, so often, I guess, enough to get a doctor's note.

It's because I need to deliver them every 10 minutes, and I can't live that.

To a friend of mine who likes sleeping in the infirmary.

Ash... Sorry, I told her about you.

You know me?

A brave user of the infirmary, I hear.

TH-THIS
is...

Even if
I turn
myself in,
I'm just
creating
the words...

IT
DOESN'T
MATTER
WHAT
I DO
-!!

I can't stop
myself,
so I wanted
someone to
stop me.

But no
matter how
openly I
do it,
no one ever
notices...!

It looks
like the
symptom of
the byouma
called
'Stealer'.

We've got
severe addiction
to stealing, and
to promote it,
he's also got
the ability to
steal people's
eyes.

P!

It's a
'byouma',
isn't it?

SFX: menacing

You don't
have to worry
about a thing...
Because I'll
destroy that evil
worm in your heart
to its very
roots.

Now
then
...

So
I was
right to
entrust
this task
to you.

Is
that
so.

EEK!

What's more
the enemy
isn't really
what I
called it
before...

We know...
Even about
the byouma...

SFX: glance

Your teacher may look the way he does, but he's a very gentle child at heart.

Please take care of Itsumi-kun from now on, okay.

Ashu-kun, come here a moment.

Oh, it wasn't any-thing major!

What did you talk about...?

Until next time.
